---

Education & Training

Associate of Science, Computer and Information Science, Columbus State Community College, Columbus, OH (2026)

Certificate, Software Developer, We Can Code IT Coding Bootcamp, Columbus , OH (2022)

Planned, designed, and developed professionally programmed applications in collaborative team-based and independent settings, demonstrating the proficiency to earn Software Development Certificate.

Projects completed:

Martial Arts Gym Review Website: Designed application that lets users find Martial Arts Gyms, including Kung fu, BJJ, Boxing, and Taekwando. Also allows users to give reviews and ratings.

Java, HTML, CSS, Spring, IntelliJ IDEA Visual Studio, Git, Github, GitBash, POJO's, Interface

Cook This!: Designed an application that resembles a cook Book and uses book tabs to navigate through the website. It gives a simple and easy access to people who love to cook. It lets users add Recipes, Ingredients, and Categories of food. Also allows users to give reviews, ratings, and save their favorite recipes.

Java, HTML, CSS, Spring, IntelliJ IDEA Visual Studio, Git, Github, GitBash, POJO's, and Interface
